Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Fairfield Elementary School sailed toward academic success for the 2013-2014 school year which allowed all stakeholders to celebrate increased academic achievement as it relates Measures of Academic Progress results, Winter Multiplication Blitz, and our Mock Writing Essay Contests. In grades 3-6, there were 191 students who scored met or exemplary on the spring MAP. For the first time since the inception of the school report card, FES earned an “Average” Growth Rating.

The focus remained on active learning as students participated in a variety of academic and social activities that allowed them to enhance their life skills and lifelong guidelines of the Highly Effective Teaching Model. Reading Incentives were earned by students who met their quarterly goals as each top reader earned the honor of being the grade level Top Reader and received a trophy. All students in grades CD3 to 6th grade received 8 books from a school wide free book fair to increase home libraries. Fairfield Elementary School produced its first ever “FES Has Talent” where students showcased their acting, singing, and dancing abilities. Our school was recognized as a Jr. Beta Club School of Distinction. A journalism club began covering school events for the monthly newsletter and producing videos that could be viewed in the front lobby.

In addition to academic success, our school partnered with various stakeholders to make connections to learning that helped to motivate our students. Pastors, community leaders, and educators joined our students on Dr. Seuss Read Across America Day to kickoff “Real Men Read”. Students participated in “Being There” experiences by participating in relevant, meaningful field trips on-site with Fossil Frank and Captain Sadler’s Colonial Camp. These experiences allowed students to have a hands-on approach to learning content standards.

Technology increased throughout the school with the continuation of our Google Chrome Book 1:1 initiative in all 5th grade classes and later expanded to grades 3 and 4. All teachers received an iPad Mini to assist with small group instruction and the embedded daily intervention period. Tutors were also hired to assist with students who needed additional assistance in grades 3, 4, and 5. The learning environment was enhanced by the addition of three murals that came about from the School Improvement Council’s beautification committee.

To support academics in the lower grades, the S.A.I.L (Students Achieving in Literacy) program provided additional intervention to 1st grade students daily with progress monitoring. In kindergarten, an interventionist provided services to students who needed additional help in math and reading. Books and Breakfast was held twice this year for our three and four year old students along with their parents. We invite stakeholders to learn more about FES by visiting the website at www.fps.fairfield.k12.sc.us and by reviewing the FES Annual Report to Parents.

Dr. Tammy F. Martin, Principal
